Help Avoid Delays with Your Electric Bill

You can avoid delays with your electric bill by using Columbia River PUD's Pay-By-Phone option or signing up for the PUD's Paperless Billing and Auto Pay programs.

Some customers have experienced delays of 2-3 weeks in receiving their bills because of ongoing delays with the mail service. You can opt into Paperless Billing to receive a digital notification the moment your power bill is available.

The issues with the postal service have also caused some payments to be delayed by up to four weeks. By using Pay-By-Phone, you can avoid any lag time in the mail. If you enroll in Auto Pay, your bill will be paid automatically on or around the same date every month.

You can learn more about these programs or pay over the phone during business hours by **calling (503) 397-0590**. To pay by phone after hours or on weekends, please call **(888) 301-7388**.

November Volunteer of the Month is Clint Kelley

Clint Kelley has been a member of the Senior center since 2013. He has served on the Senior Center Board and been an integral part of the community. He was a foster parent for 17 years.

Clint does a superb job on decorating for various events and has become a fantastic Leprechaun to inspire others to donate and support the center. He also helps with the recycling of the bottles and cans donated. Clint, we appreciate your dedication and service to the center.

The Importance of NAPIS Forms:

NAPIS (National Aging Program Information System) forms are used to collect data used by Oregon's Department of Human Services. This data determines the distribution of funds to our center. It is strongly urged that the form be completed front and back. Without the back being completed, DHS may decide that our center doesn't need the money. So, PLEASE, fill out a NAPIS and complete side one and two. Names are NOT used in the collection process.

If you have questions, talk with Carla.
