March is Your Chance to Enroll in Budget Pay

Would you like to remove surprises from your monthly power bill? Enroll in Columbia River PUD's Budget Pay program and pay the same amount every month of the year.

With Budget Pay, the PUD calculates your payment based on your electric usage over the previous year. That amount is divided into 12 equal payments for the coming year. The amount is adjusted annually in March, so customers currently enrolled in Budget Pay may see their payment amount change next month.

To enroll, you need at least 12 months of account history at your current location and a \$0 balance. Accounts not kept current will be switched back to standard billing.

New Budget Pay plans are only set up in March. Want to enroll? Please call our Customer Accounts Department at (503) 397-0590 or email info@crpud.org.

The Importance of NAPIS Forms:

- NAPIS (National Aging Program Information System) forms are used to collect data used by Oregon's Department of Human Services. This data determines the distribution of funds to our center. It is strongly urged that the form be completed front and back. Without the back being completed, DHS may decide that our center doesn't need the money. So, PLEASE, fill out a NAPIS and complete side one and two. Names are NOT used in the collection process.
- If you have questions, talk with Carla.

My wife and I went into town to do some shopping. When we came out, there was a policeman writing out a ticket. I went up to him and said, "How about giving a senior citizens a break?"

He ignored us and kept writing the ticket. Then I called him a heartless public servant. He glared at me and started writing another ticket for having worn out tires. So my wife told him his mother would be ashamed of him. He finished the second ticket and put it on the windshield and started writing more tickets. This went on for about 20 minutes. The more we scolded him the more tickets he wrote. He finally finished and walked away. then our bus arrived and we got on it and went home.
